

User Guide: Avoid obstacles

Click the Squid to kill it and make it disappear before Fatty Big Star is covered with ink. If un-clicked, no points are lost, but the visibility of other obstacles is obstructed.

Avoid the Shark. Any contact with the Shark results in immediate death for Fatty Big Star.

Avoid hitting a single or the cluster of Jelly fish swimming in the game. Each Jelly fish encounter will cost Fatty Big Star life points.

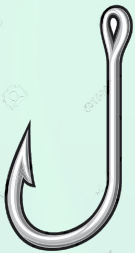

Avoid getting hit by any of the Clam Shells. A single hit by a Clam will reduce the Fatty Big Star life points.

User Guide: Use power-ups

Eating the Krabby Patties will give Fatty Big energy to move further up in Latitude and the life points.

The hook will give Fatty Big Star a vertical boost by carrying Fatty Big Star. This power-up is active for several seconds.

The Golden Bubble is a power-up that shields Fatty Big Star from 5 obstacles. When Fatty Big hits the 6th obstacle, the Golden Bubble will burst and life points will be lost.

User Guide: Controlling Fatty Big Star

- User can only control Fatty Big Star's movement from **LEFT** to **RIGHT**
- Fatty Big Star gains **ALTITUDE** by eating Krabby Patties and using power-ups
- Score is based on the **Altitude** at the time of Fatty Big Star's death (end of game)
